Description:

Hello, I was referred by the link below to fill out this form to notify open library that the author 余华 (Yu Hua) needs to be merged. In the FAQ it notes that an author's name should not be romanized in their entry, so the link below should be the proper page for the author. Other aliases

I have found on Open Library for the author include Hua Yu (in first/last order, I don't know if this is standard for authors who write their names last/first culturally) and Yu Hua, both with multiple duplicates.

Thanks for your consideration!
